

# Workplace Safety Instructional Charts

*These full-color, laminated charts contain important safety information and procedures for your employees. Post these informative charts in break rooms and on bulletin boards to help keep important safety information visible to employees.*

## Regulatory Based Charts

10-24 charts....\$21.04 ea.  
5-9 charts....\$22.55 ea.  
1-4 charts....\$24.95 ea.

### Forklift Safety (10-WSI-L), 22" x 26"

This chart includes steps for safe forklift operation, steps for properly lifting a load, and steps for properly carrying a load. It also lists what daily and periodic inspections should include.

### Lockout/Tagout (14-WSI-L), 22" x 26"

This chart lists seven steps for safe lockout/tagout and five steps for safe release from lockout/tagout.

### Avoid Slips, Trips, and Falls (15-WSI-L), 22" x 26"

This chart lists examples of how or why a slip, trip, or fall would occur. It also lists the factors that contribute to the reduction of workplace slips, trips, and falls.

### Personal Protective Equipment (17-WSI-L), 22" x 26"

This chart includes the general PPE requirements. It also lists proper equipment for eye and face, hearing, head, hand, foot, and full-body protection.

### Bloodborne Pathogens (2-WSI-L) 30" x 24"

This chart thoroughly outlines the OSHA code and covers such topics as sharps containers, personal protective equipment, reporting exposure incidents, HBV vaccinations, decontamination, and regulated waste.

## Safety Based Charts

10-24 charts....\$17.85 ea.  
5-9 charts....\$19.45 ea.  
1-4 charts....\$21.95 ea.

### Emergency First Aid Guidelines (130-WSI-L, English; 131-WSI-L, Spanish), 18" x 24"

This attractive poster will give your employees a How-To Instructional Guide on minor emergency situations including, but not limited to: shock, fractures and dislocation, burns, bleeding, care for sudden illness and poisoning.

### First Aid Choke Saving (132-WSI-L, English; 133-WSI-L, Spanish), 18" x 24"

If you own or operate a restaurant or eating establishment, display Choke Saving instructions to ensure the safety of your employees and customers in case of emergency.

### CPR Guidelines (134-WSI-L, English; 135-WSI-L, Spanish), 18" x 24"

This easy-to-use CPR Guidelines poster highlights the eight key points in CPR and educates your employees on how and when to call for help.

### Fire Extinguisher Use (136-WSI-L, English; 137-WSI-L, Spanish), 18" x 24"

This attractive poster will aid your employees to quickly determine the classification of a fire and assist them in the operation of the extinguisher.

### Backlifting Safety (19-WSI-L), 18" x 24"

This colorful, illustrated poster will educate your employees with six easy steps and rules for safe lifting.
