Membership Manager

Thank You!

On behalf of the Utah Safety Council, I would like to thank all of you who contributed to our 1st Annual "Crazy Pants" Golf Tournament. Without your support, this year's tournament would not have been the huge success that it was.

We hope to see you all again next year! We will have a save the date out soon so you can mark your calendars and find that pair of "Crazy Pants!"

Thank you again for your kind and generous support. See you next year!

What Do You Live For?

With June being **National Safety Month**, everyone has something they live to see or experience. No matter what your passion is, we engage in safe behaviors so we can live for what matters to us.

This June, we are celebrating your passions with the theme of "What I Live For." We can work together on keeping each other safe wherever we are.

This year, we will be focusing on the important topics of prescription painkiller abuse, transportation safety, ergonomics, emergency preparedness and slips, trips and falls.

Join the Utah Safety Council and thousands of organizations across the country as we work to raise awareness of what it takes to stay safe. Observed annually in June, **National Safety Month** focuses on reducing leading causes of injury and death at work, on the road and in our homes and communities.

Celebrating the Stars of Safety

We are excited to announce our theme for this year's Annual Meeting and Safety Awards Luncheon, "Stars of Safety".

Make sure you mark your calendars as there is a new location for this year's event. The luncheon will be held at the Little America Hotel on August 21, 2015 at 11:00 a.m.

Safety award applications are found online at UTAHSAFETYCOUNCIL.ORG and are due by July 15th. If you have any questions please feel free to email awards@utahsafetycouncil.org.

Roll Out Those Lazy, Hazy, Crazy Days of Summer!

The season for picnics, pool parties, and vacations is upon us! Many great memories are made at these events. We're often so busy having fun in the sun that we forget about safety. Burns, dehydration, and drowning are just a few among the many injuries commonly suffered in the summer. Take these tips into consideration when planning your summer fun to keep it from turning into a trip to the E.R.

- If you're going on a road trip, make sure your car is prepared by performing a routine maintenance check.
- Never leave kids or pets in the car, not even for a minute.
- Wear hearing, eye, and foot protection when mowing the lawn.
- Wear sunscreen with at least SPF 15 every time you'll be outside.
- Protect against bug bites and potential diseases by wearing insect repellent with DEET.
- Always wear a life jacket when boating or participating in other water recreational activities.
- Always supervise children around any kind of water, and consider enrolling them in swimming lessons.
- Avoid hyperthermia by staying well-hydrated and wearing appropriate clothing for your activity. Take a break and rest in the shade if you're feeling weak, dizzy, or nauseous.
- Never grill in an enclosed area or leave a grill unattended once lit. Be sure to have a fire extinguisher nearby.

BE PREPARED
for a medical emergency with a
Utah Safety Council
First Aid Kit

Basic First Aid Kit | Deluxe First Aid Kit
Member: \$35 Member: \$60
Non-Member: \$50 Non-Member: \$75
