

MEMBERSHIP MINUTE

by Sadee Pistoia
Membership Manager

Mark your calendars for November 10th! We are having a membership appreciation event at the Utah Safety Council office.

The event will run from 11:00 a.m. to 2:00 p.m. We will introduce our **NEW** benefits and new Workplace Violence Planning & Management course- in addition to providing a delicious BBQ lunch.

This will be a fun and educational event, don't miss out! Register online at UTAHSAFETYCOUNCIL.ORG.

For additional details, please feel free to contact me at 801.746.SAFE (7233) EXT. 302, or email spistoia@utahsafetycouncil.org.

We invite you to take a closer look at the Utah Safety Council and see how you can utilize our services to meet your safety needs. For additional information or questions, please contact **Sadee**, our Membership Manager, at 801.746.SAFE (7233).

If a Heart Stops Beating, Are You Prepared to Save a Life?

Come to our **FREE** breakfast seminar to see how an AED can help protect your employees.

Join us **Friday October 23, 2015 at 8 a.m. to learn more about the benefits of having an AED in the workplace.**

Sudden cardiac arrest is not a heart attack and does not discriminate. Here are a few quick facts:

- Sudden cardiac arrest is ventricular fibrillation, a disturbance of the electrical activity in the heart, where the lower chambers lose their synchronization.
- Sudden cardiac arrest kills around 450 Americans each day.
- Death can occur within 10 minutes, unless someone intervenes quickly with CPR and an Automatic External Defibrillator (AED).

Register for this seminar on our website: UTAHSAFETYCOUNCIL.ORG. Discounted packages will be available for seminar participants.

To learn more, contact **Cassie Henson**, Emergency Care Program Manager, at 801.746.**SAFE** (7233) EXT. **307** or email chenson@utahsafetycouncil.org.

HALLOWEEN SAFETY STATS

2x as many child pedestrians are killed while walking on Halloween compared to any other day of the year

Only **1/3** of parents talk to their kids annually about Halloween safety

TIPS:

- Talk to your little ghosts and ghouls about Halloween Safety
- Decorate costumes with reflective tape
- Obey all traffic signs and signals

Network of Employers for Traffic Safety

Drive Safely Work Week 2015

Did you know? The most dangerous part of the workday for any employee is the time they spend in their vehicle. A motor vehicle crash occurs in Utah every 9 minutes, a person is injured in a crash every 23 minutes, and a person dies in a crash every 39.5 hours.

Drive Safely Work Week (DSWW) is an annual week devoted to improving the safety and health of the nation's workforce by promoting safe driving practices at their place of business. **This year's campaign will be held on October 5-9, 2015. The theme this year is #PlanAhead, Your Key to Driving Safely.**

Planning is critical to safe driving. The Network of Employers for Traffic Safety (NETS) has launched a free comprehensive online toolkit to help employers plan ahead for Drive Safely Work Week. To access these free resources, go to UTAHSAFETYCOUNCIL.ORG.

Safety Certificate Courses

- Fire Extinguisher Training: Oct. 13
- Office Ergonomics: Oct. 15
- First Aid, CPR and AED for Business: Oct. 19

- Fall Protection/Walking Working Surfaces: Oct. 21
- Electrical Safety: Nov. 9
- OSHA 10-Hour Outreach Course for the Construction Industry: Nov. 12-13

- Fundamentals of Industrial Hygiene: Nov. 17-20

Fundamentals of Industrial Hygiene

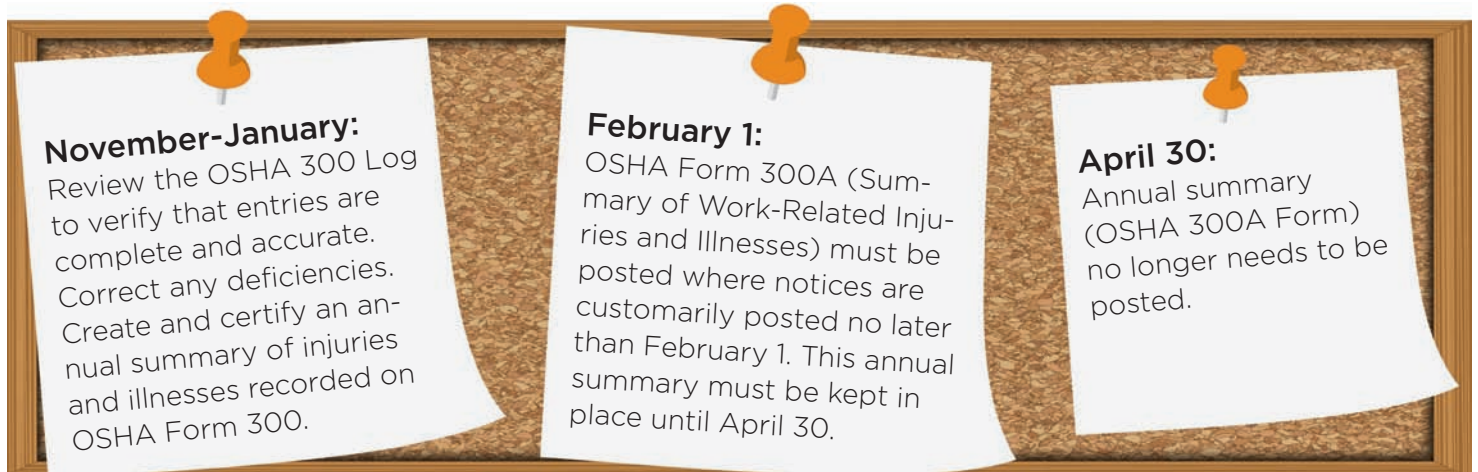

**November 17-20
8 a.m. - 5 p.m.**

Member: \$1200 | Non-Member: \$1650

Understand the concepts of anticipating, recognizing, evaluating and controlling industrial hygiene hazards that your employees may face.

OSHA Recordkeeping Timetable

November-January:

Review the OSHA 300 Log to verify that entries are complete and accurate. Correct any deficiencies. Create and certify an annual summary of injuries and illnesses recorded on OSHA Form 300.

February 1:

OSHA Form 300A (Summary of Work-Related Injuries and Illnesses) must be posted where notices are customarily posted no later than February 1. This annual summary must be kept in place until April 30.

April 30:

Annual summary (OSHA 300A Form) no longer needs to be posted.

About Our Staff

Daniela (Dani) Thomson has been with the Utah Safety Council since April 2014. As a Program Coordinator, she assists with our Defensive Driving programs including DDC-4 and Alive at 25, as well as scheduling training for Sinclair refinery programs.

Dani has a passion for living healthy and loves spending time with her family. She is always the first to help in any situation and willing to support customers when they call or come into our office. Her outgoing attitude and bright smile make her an office favorite!

Dani is very excited to work with all of our members. If you would like to contact her, you can do so via email at dthomson@utahsafetycouncil.org or by phone at 801.746.SAFE (7233) EXT. 315.

Product Picks

How do you motivate and encourage your staff?

Let us make your job easy with our “Serious about Safety” mugs.

You can even personalize our incentive mugs with your company logo!

Contact **Sadee** for more information at spistoia@utahsafetycouncil.org or by phone at 801.746.SAFE (7233) EXT. 302.
