

FAQ for the Utah Safety Council Website

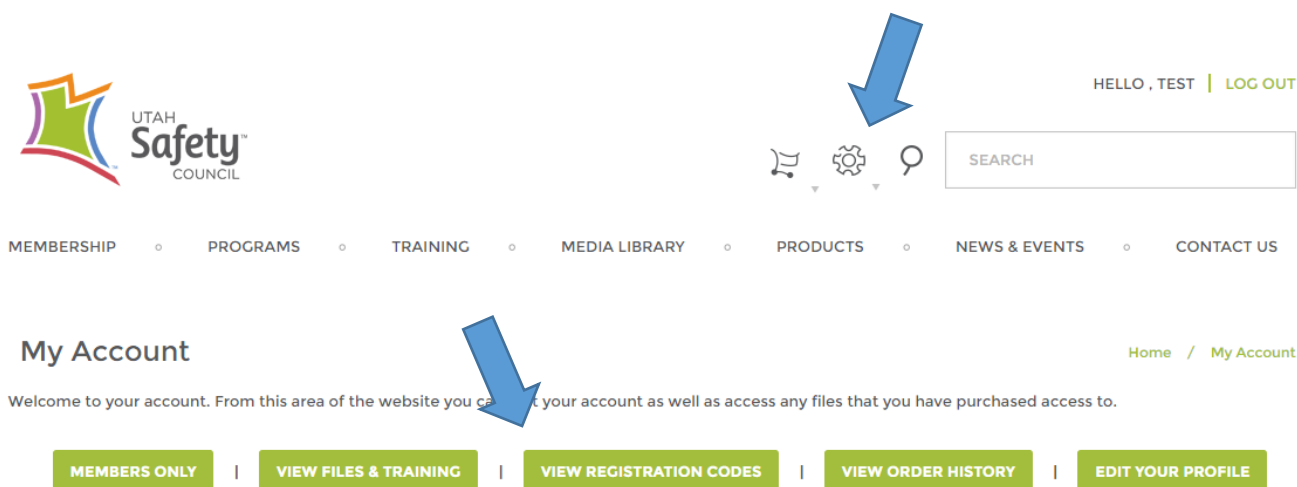

How do I gain access to the Members Only Website?

The primary contacts for each membership are automatically given access to the Members Only section of the website when they join.

Granting additional co-workers access under your company's membership

Each member company is automatically set up additional user IDs as part of their membership benefits. The primary contact for each company membership has access to these additional user IDs. To view and share these IDs:

- Log in to our website.
- Click on the gear at the top of the page and go to account settings.
- You will see a button called "View Registration Codes". In that section you will find additional ID codes to link

individuals under a company membership.

Click on the link that says "Email Registration Code"
