

WISH AWARD  
WOMEN IN SAFETY & HEALTH  
2024 Nomination Form

The mission of The Utah Safety Council Women in Safety Organization is to empower women in safety roles through recognition, elevation, and professional development. We are a collaborative community dedicated to their success.

Each year, this organization presents the WISH Award to a woman who:

- Contributes to Utah Safety Council's overall objective of making Utah a safer place to live and work
- Demonstrates creative excellence related to safety initiatives
- Involved in implementation of safety cultural change(s) in their workplace or industry
- Shows exceptional performance as a safety & health role model
- Positively impacts the safety and health of their workplace, and/or industry

The award is presented with the award at the end-of-year Women in Safety Event (Scheduled for December 2024). The recipient is also honored during the Utah Safety Council's Annual Meeting and Awards event.

Nominations Due October 31, 2024
