Women in Safety

I wanted to thank everyone that stopped by after the conference for massages, treats and networking. This group has come so far. It has been such a privilege to get to know each one of you.

Our next event is scheduled for April 6th at 11:00 a.m. We will be meeting at the Little America to listen to Karma Thomson, Vice President of Tesoro's Salt Lake Refinery, speak about "Leading Change."

After the presentation, Karma will have buses ready to take us on a tour of the Tesoro Refinery.

Don't wait to sign up- you won't want to miss this one! Register at UTAHSAFETYCOUNCIL.ORG.

Thank You to Our Conference Participants

A BIG thanks to those who participated in the Utah Safety Conference and Expo! We appreciate your support of our efforts to make Utah a safer place to live and work.

We want to thank our sponsors for making this year's conference a success. These companies include: Autoliv Americas, Beacon Energy, BROWZ, Chevron, Dominion Questar, Granite Construction, HollyFrontier, KapStone Paper & Packaging, Lisbon Valley Mining Co., OC Tanner, Orbital ATK, R & O Construction, Rio Tinto, Rocky Mountain Power, Rooftop Anchor, Savage Services, Tesoro Refining Company, Wasatch Electric, and Workers Compensation Fund.

We also want to thank our exhibitors who were part of the expo both days. The exhibitor space showcased products and services from more than 50 vendors with many "hands-on" demonstrations.

We hope you enjoyed the breakout sessions each day. These sessions provided a variety of topics to choose from that crossed all aspects of safety.

Our two morning keynote speakers addressed topics on effective communication and lessons learned from being on "Undercover Boss." The two lunchtime speakers shared the impact that WCF and the Utah Jazz have had on our community, and we saw a sneak peek into the upgrades the Vivant Smart Home Arena will be undertaking at the end of the current season.

We want to express our appreciation to the Utah Safety Council staff and recognize them for all their efforts to make this conference a success! They are amazing and we wouldn't be able to support your safety needs without them.

The feedback from the attendees of the conference has been extremely favorable and we look forward to hosting more conferences in the future.

April is Distracted Driving Awareness Month

Distracted driving is an epidemic on America's roadways. **In 2015, 3,477 people were killed as a result of distracted driving**- that's up 8.8% from 2014, where 3,179 people were killed and an estimated 431,000 were injured in motor vehicle crashes involving a distracted driver. Texting and cell phone use behind the wheel takes your eyes off the road, your hands off the wheel, and your focus off driving - putting yourself and others in danger.

At the Utah Safety Council, our number one priority is keeping you and your family safe. We ask that you no longer tolerate texting or talking on a hand-held phone while operating a company or personal vehicle, or when using a company-issued cell phone while operating a personal vehicle. If you must use your cell phone, please pull over to the side of the road to safely complete your call or text.

Ask anyone who has lost a loved one in a crash and they can tell you, one traffic fatality is one too many. We are committed to eliminating this unnecessary risk and strongly believe that no conversation or text is worth the potential danger.

We encourage you to discuss the dangers of distracted driving with your employees, co-workers, family, friends and neighbors. **For free resources to share, please visit UTAHSAFETYCOUNCIL.ORG** or contact Greg Royall, Traffic Safety Program Manager at 801.746.SAFE (7233) or email groyall@utahsafetycouncil.org.

Become a Certified First Aid, CPR and AED Instructor

By having your own in-house instructor, your employees will be better prepared for an emergency.

Register now for our upcoming course:

First Aid, CPR and AED Instructor Training

Join us as we celebrate National Safety Month on **June 9th** at the Smith's Ballpark. We will have a picnic dinner, fun giveaways & activities- plus a great baseball game!

Discounted tickets will be available soon!

Conference Sponsor Spotlight: Savage Services

Savage Services has been a great supporter of the Utah Safety Council's events including sponsoring the Crazy Pants Golf Tournament and the 2017 Utah Safety Conference and Expo.

Savage Services was founded in 1946 by the Savage family using only a single truck to haul coal and timber in Utah. Since then, Savage Services has grown to over 200 locations and 3,000 employees in North America and internationally. Each year, their trucks move more than 100 million tons of customer material.

Savage Services is divided into three groups including:

- Oil & Gas Solutions
- Refinery & Power Solutions
- Rail, Industry & Chemical Logistics.

Although Savage Services has seen tremendous growth, they still focus on meeting the needs of each customer.

Savage Services joined the Utah Safety Council in 1986 and is currently a Sustaining Member. The Utah Safety Council is proud to call Savage Services a member and we appreciate their extreme dedication to safety in all that they do.
