September 2017

Volume 33

Congratulations to all the
SUPERHEROES OF SAFETY

MEMBERSHIP MINUTE

by Sadee Pistoia
Membership Manager

Join us for Bagels & Benefits on October 24th from 7:30 a.m. to 9:00 a.m. at the Utah Safety Council office.

This member orientation is for NEW and CURRENT members who would like to learn how to utilize their membership benefits.

Topics for the orientation will include:

- Membership benefits
- How to use the website
- Streaming safety videos
- Meet our staff

We hope to see you all there!

Please register on our website at UTAHSAFETYCOUNCIL.ORG.

Dear Members,

Congratulations to all of those that were recognized during our Annual Meeting and Awards Luncheon on August 18th at The Little America. This year, we recognized some fantastic companies and individuals who continue to make safety a priority. These "Superheroes of Safety" are role models in the industry and should be proud of their notable achievements.

Thank you for taking time out of your busy schedules to support the Utah Safety Council and our mission of saving lives by promoting safety and health through education, services, and products.

We are honored to have each of you as members. We appreciate your participation and value your feedback. We continue to look for opportunities to enhance the value of your association with us and offer products and services to meet your safety needs. Please let us know if there is something you need, or anything we can help you with.

This event would not have been possible without the fantastic staff of the Utah Safety Council! A BIG THANKS to each of them for all their time and effort in making us successful.

If we didn't have a chance to recognize you this year, I challenge you to set some safety goals and continue making safety a priority for your employees.

Rod Hamson

President

A Fifth Grade Superhero

Whitney Riddle, a fifth grader at Channing Hall Charter School, wanted to save lives to earn her Girl Scout Bronze Award- the highest honor a Girl Scout Junior can achieve.

Out of all the fundraising ideas her family and Girl Scout leaders gave her, she chose to tackle something we've never seen here at the Utah Safety Council. She decided to raise money to provide a Philips Onsite AED for her school.

To raise support and funds for the AED, Whitney sold bracelets with the words "Every Heart Matters" on them for \$15 each. She reached out to her family, friends, and neighborhood- and it turned out to be extremely successful. She raised over \$1,700 in less than two months.

Whitney started the fundraiser at the end of April and by June 5th, she was ready to purchase Channing Hall's very first AED. Following her AED purchase, the Utah Safety Council visited the school and provided an in-service and training for Whitney and a few staff members.

We were proud to present Whitney with the Harold R. Everitt Lifesaver Award at our Annual Meeting and Awards Luncheon. This award is given in recognition of outstanding achievement in the field of emergency care. Individuals receiving this award have utilized their training and skills to save the life of another.

Although Whitney hasn't saved any lives yet, she's being proactive to make sure help is readily available should the occasion arise (and it's really only a matter of time with over 350,000 cases of Sudden Cardiac Arrest each year!). And that, in the Utah Safety Council's minds, makes Whitney Riddle a Superhero of Safety.

Become a Defensive Driving Instructor

Having your own certified Defensive Driving Instructor is a cost-effective way to ensure all your drivers develop safe driving habits.

September 28-29
8:00 a.m. - 5:00 p.m.
 Member: \$364 | Non-member: \$520
