

# Safety Fact Sheet

The Utah Safety Council cares about your safety outside of the work setting. We offer resources that keep you and your loved ones safe at home, at play and on the go.

## READY YOUR FAMILY

Where will your family be when a disaster strikes? How will you find each other? Will you know if your children are safe? Families can and do cope with disasters by preparing in advance and working together as a team. Knowing what to do is your best protection. Now is the time to create your family disaster plan.

Be Ready Utah's, 'Ready Your Family' focuses on preparing individuals and families for potential emergencies and disasters. This preparation includes the most essential elements including a plan and a three - five day emergency supply kit for your home and vehicle. Ready Your Family also provides you with information about the natural hazards we have in Utah so you can be informed about the potential risks and dangers involved with each one.
